Global Investment Holdings' Corporate Governance Rating has been upgraded to 9.06.

GLOBAL INVESTMENT HOLDINGS ACCOMMODATES AND PAYS UTMOST ATTENTION TO THE EXECUTION OF THE CORPORATE GOVERNANCE PRINCIPLES PUBLISHED BY THE CAPITAL MARKETS BOARD OF TURKEY ("CMB").

Statement of Compliance with Corporate Governance Principles

Global Investment Holdings accommodates and pays utmost attention to the execution of the Corporate Governance Principles published by the Capital Markets Board of Turkey ("CMB").

In line with this approach, a Committee, including three Board of Directors members, was established to carry out the necessary restructuring studies into the Company's organizational structure and Articles of Association. The requirement to include at least two Independent Members in the Board of Directors, as stipulated by the Company's Corporate Governance Principles, has been fulfilled.

Shareholders can find comprehensive and updated information on GIH's website; additionally, they can post their questions to the Investor Relations Department by phone, e-mail and via social media.

GIH continues to pursue necessary revisions by proofing the website and the annual report in greater detail in with the Corporate Governance Principles. The Board of Directors, senior management and all employees of GIH have consistently supported adoption of the Corporate Governance Principles within the Company at each stage of the process.

Our Corporate Governance Rating has been determined as a result of an evaluation made under four main topics (Shareholders, Public Disclosure and Transparency, Stakeholders, and Board of Directors), and weighted based on CMB Corporate Governance Principles, and on the current distribution, which is based on the main topics stated below:

Sections / WEIGHT	Rating
Shareholders - 25%	90.19
Public Disclosure & Transparency - 25%	92.18
Stakeholders - 15%	91.93
Board of Directors - 35%	89.13
Overall (Out of 10)	9.06

The report, prepared by Kobirate and related to the corporate governance rating of 9.06, confirms that the Company achieved a substantial compliance with CMB's Corporate Governance Principles and applies the necessary policies and measures to its practices.

Reasons for Non-Complied Corporate Governance Principles

The Company continues its efforts toward full compliance with the Corporate Governance Principles. Principles other than those currently being implemented, or not yet implemented, have not caused conflicts of interest among the stakeholders.

The Company's Articles of Association contain no provisions stipulating that material decisions such as "demergers and share exchanges, buying, selling, or leasing significant amounts of tangible/intangible assets, or donation and grants, or giving guarantees such as suretyship, mortgage in favor of third parties" are required to be taken at a General Meeting. The underlying reason is that it is in the nature of the business in which the Company is involved to buy, sell, and lease quite frequently. Having to hold a General Meeting whenever such a transaction takes place is considered impossible; thus, no such article has been included in the Articles of Association. This practice is refrained from to ensure the timely execution of deals, and to avoid missed opportunities.

With reference to Article No. 1.3.11 of the Corporate Governance Principles, only the shareholders may attend the General Assembly meeting.

With reference to Article No. 1.4.2 of the Corporate Governance Principles, the preferred stock groups in our Company's Articles of Association were created prior to its IPO, and our Company is not authorized to amend these privileges. Our privileged shareholders made an application to the CMB in July 2010 in order to abrogate these privileges, which was not approved.

With reference to Article No. 1.5.2 of the Corporate Governance Principles, our Articles of Association do not stipulate minority rights for those who hold less than one twentieth of the capital and that there is no additional provision on minority rights: Regarding this matter, our Company is of the conviction that the framework provided for by the Turkish Commercial Code and CMB regulations is sufficient.

With reference to Article No. 1.6.2 of the Corporate Governance Principles, due to the fact that our Company is an Investment Holding the dividend to be distributed annually is decided at the General Assembly meeting according to the investment program of that year. The Board of Directors will evaluate the dividend distribution policy to include this issue in the future.

With reference to Article No. 3.2.1 of the Corporate Governance Principles, the Company has not established a policy concerning stakeholders' involvement with the board. However, independent members of the board enable the representation of all the stakeholders along with the Company and its shareholders. The Company respects the opinions and suggestions of all its employees, suppliers, nongovernmental organizations and customer satisfaction surveys. Certain board members serve on more than one committee due to the Company's shareholding structure.

With reference to Article No. 4.2.5 of the Corporate Governance Principles, there is no issue in the Articles of Association regarding the separation of the powers of the Chairman of the Board of Directors and Chief Executive Officer. In the current organizational structure of the company, the Chairman of the Board of Directors performs the duties of the Chief Executive Officer. Considering Mehmet Kutman's long years of experience in investment banking and financial markets and in order to make the company's decision-making processes more efficient, and to foster a more dynamic organizational structure, it has been preferred to have the same person holding both positions.

GLOBAL INVESTMENT HOLDINGS CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT

With reference to Article No. 4.2.8 of the Corporate Governance Principles, a Directors & Officers Liability Policy has been purchased to cover the losses which the Company may suffer due to the wrongful acts of the members of the Board of Directors in the execution of their duties; however, the total annual liability limit does not exceed 25% of the Company's share capital.

With reference to Article No. 4.3.9 of the Corporate Governance Principles, currently, there is only one female member on the Company's Board of Directors. In 2018, Global Investment Holdings' Board of Directors approved the policy, setting a target of 25% rate for women Board members within five years, and to review progress on this subject and report it annually.

With reference to Article No. 4.4.7 of the Corporate Governance Principles, although the duties performed by the Members of the Board of Directors outside the Company are not restricted by a rule, detailed résumés of the members and the duties they perform outside the Company are presented to the shareholders at the General Assembly Meeting.

With reference to Article No. 4.5.5 of the Corporate Governance Principles, due to the number of board members being limited to 7 in the Articles of Association, each board member is assigned to more than one committee.

With reference to Article 4.6.1 of the Corporate Governance Principles, performance assessments were not carried out on the Board of Directors.

With reference to Article 4.6.5 of the Corporate Governance Principles, all remunerations and interests provided to board members and senior managers have been disclosed to the public in the annual report. However, the disclosure is made not on a personal basis, but by board members and by senior managers as a group.

As per CMB resolution No. 2/39 on 10.01.2019 Corporate Governance Principles Compliance Report Template (URF) and Corporate Governance Information Form Template (KYBF) of our Company have been created as follows and can also be accessed from the Corporate Governance button on the Public Disclosure Platform.
