

## **DONATIONS AND AID POLICY**

The company can make donations and give aid to domestic and foreign non-governmental organizations, foundations, associations, education and training institutions, and public institutions and establishments settled in the country or abroad, which carry out activities for social, cultural, educational, health etc. purposes, with the approval of the Board of Directors and under the scope of the principles set out in the capital market legislation, Turkish Trade Law and other related legislation. For the selection of the type, amount and receiver of donation, Global Group favours compatibility with its corporate social responsibility policies. In addition, the company can also make donations and give aid to foundations, associations etc. which have been established to carry out activity in the same area with the company.

The partners are informed with a separate agenda item at the relevant Ordinary Meeting of the General Assembly about the amounts and beneficiaries of all donations and aids and donations policy changes made within the relevant period.
